On April 29, WE RISE

2p We Rally for Unity and Justice:

Mission Park 185 E. Santa Clara, VTA

3p We Swarm for Earth

to VTA Botanic Garden behind City Hall

4p We Thermo-Climb

Americans from Ventura County to Washington D.C. will unite to march in solidarity for Climate, Jobs and Justice. Together, we will send a message to our leaders, and the world, that the United States of America stands for values of human decency, equal rights and freedom from discrimination.

Please join us in Ventura at a rally in Mission Park where we will form a Rainbow and a Circle to show our commitment to unity and justice. Next we "swarm" down Main St and up California St to the Ventura Botanical Gardens where we will organize by color to ascend the trail for a thermo-climb, with those wearing red shirts leading the way, followed by those in orange, yellow, green, blue, indigo, and, finally, violet for photographs of our human thermometer: an artistic representation of global warming.
